## WELCOME TO THE GOLF CLUB AT BRICKSHIRE

Designed by world renowned architect Tom Clark along with design consultant Curtis Strange, The Golf Club at Brickshire quickly became one of the Mid-Atlantic's "Must Play" Courses. Our tee boxes offer a variety of difficulty levels well suited for a family fun golf outing or a stern test for the most serious of competitive golfers.

As you wind through the beautiful residential community of Brickshire, you will experience a number of holes where Curtis Strange paid homage to some of his favorite designs from around the world. Hole #1 represents a mirror image of Augusta National's third hole. Hole #7 borrows from Pinehurst's eleventh hole with its generous fairway and well bunkered green. Hole #9 is designed to emulate St. Andrews' famed par 5 fourteenth including our version of the famous "Hell Bunker." For a bit more fun, Hole #11 offers a rendition of Riviera's classic short par 4 tenth.

We hope that you enjoy your experience in our friendly New Kent Community. Should you need any assistance throughout your day, our courteous professional staff is here to assist you.

Thank you for playing Brickshire - Where you can either play for the day, or stay for a lifetime!
